## LETTER FROM THE PROVOST

Graduates of the class of 2024, congratulations! You have made your families proud. You have made your professors and College staff proud. But most of all, you have proven to yourself that you are resilient, you are capable, and you are worthy of the life to which you aspire.

As provost of this institution, my joy in seeing each of you accomplish this milestone is great. But as a member of the society that you are stepping up to inherit (or in the case of our nontraditional students, to reengage in a new way), I want to express my deep gratitude to you. Thank you for being willing to own your place in our society. Thank you for being willing to engage with new and different ideas, and to grow and evolve.

And finally, thank you for giving purpose to the work we have dedicated our lives to as professional educators. Your successes that led to today mean everything to us at JCCC.

Dr. L. Michael McCloud, PhD

### The Dress of Success

The celebration of commencement is rich in traditions. A large—and obvious—part of commemorating the completion of an educational milestone is academic regalia, traditional clothing worn for academic occasions.

Academic regalia generally consists of a gown that resembles a long, dark robe. Faculty and staff with master's and doctoral degrees wear a separate draped hood. The color and lining of the hood reflect the degree the wearer holds and the colors of the institution from which the wearer graduated.

Academic regalia also includes a cap—usually a flat, square mortarboard. Those who hold a doctorate may wear a soft, rounded headpiece known as a bonnet or tam. The flat mortarboard cap has a button in the center of the top, from which a tassel suspends. The tassel's color reflects a graduate's course of study, degree level, or the colors of the institution. It is common for undergraduates to begin the Commencement Ceremony with the tassel on the right and switch it to the left after they receive their diploma or certificate.

During the Commencement Ceremony, you will see various chords and stoles (long, wide bands) hanging around the necks of graduates. These colorful accessories are symbols of hard-earned achievements and affiliations. Each color and design has been carefully chosen to represent the diverse involvements and accomplishments of graduates.

### Mace and Medallion Meaning

Several symbolic objects used in the Commencement Ceremony represent the authority, history, and tradition involved in celebrating the completion of an academic milestone.

The Educational Affairs Committee chairperson leads the procession carrying the ceremonial mace—a wooden staff with a bronze Johnson County Community College logo. The mace symbolizes authority and tradition and serves as a visual reminder of the institution's scholarly legacy and the solemnity of the event.

As graduates walk across the stage, they are presented with a diploma cover to preserve their lifetime achievement. The covers are bound with the Johnson County Community College petal logo on the front.

Every JCCC graduate is given a specially designed medallion as a lasting memory of their time at the College. The bronze-colored medallions are imprinted with JCCC's unique open-petal sunflower, a symbol of the College's openness to new concepts and ideas as it serves each member of the community.

## COMMENCEMENT ADDRESS

### Melody Rayl, JCCC Board of Trustees Chair

Melody Rayl is the current JCCC Board of Trustees Chair. She has served as a trustee from 2008 to 2013 and from 2023 to present. A distinguished member of the Board, Melody embodies a steadfast commitment to educational excellence and community advancement. With a background rooted in service and leadership, she brings a wealth of experience to her role, advocating tirelessly for the needs and aspirations of students and faculty alike.

Melody has worn a number of hats over the years—military veteran, law enforcement officer, community volunteer, international peacekeeper in postwar Bosnia, police academy instructor, associate professor of criminal justice, practicing attorney, and mother of three amazing children.

Deeply rooted in the Kansas City area, Melody earned a Bachelor of Arts in Criminal Justice from Park University, a Master's Degree in Criminal Justice from Washburn University, and a Juris Doctor Degree from the University of Missouri–Kansas City School of Law. Perhaps most importantly, she is a graduate of JCCC—and will always be a Cavalier.

Through her dedicated service, Melody continues to make an impact by enriching the lives of countless individuals and leaving a legacy of progress and empowerment in Johnson County and beyond.

## STUDENT ADDRESS

### Liz Hernandez Aleman, Class of 2024

As we celebrate the achievements of our graduates, we are proud to feature Liz Hernandez Aleman as the student speaker for the 2024 Commencement Ceremony. Liz's academic journey began at JCCC in Fall 2021. She graduates this spring with an Associate Degree in Liberal Arts. As an international student from Honduras, her story is a testament to the power of perseverance and pursuit of education.

Liz's time at JCCC has been distinguished by her active participation and leadership roles, including serving as a Student Life Ambassador and parliamentarian in the Student Senate, for which she also chaired the Rules & Conduct Committee. These roles have allowed her to make significant contributions to the JCCC community while providing invaluable experiences outside the classroom. In addition to her leadership on campus, Liz has had the privilege of meeting and working with incredible individuals who have made a significant impact on her life.

This fall, Liz will continue her education at Park University, majoring in Business Analytics. Her JCCC experience has prepared her well for the next chapter, where she will—no doubt—continue to excel and make her mark.
