

International Education Committee Meeting
Friday, February 25, 2022, 2:00pm

Present: Dawn Gale, John Harty, Bruce Harvey, Janette Jaspersen, Nick Mancini, Mindy Ritter, Brooke Roberts (chair), Kitzeln Siebert

The minutes of the January meeting were approved as written.

Travel Grant Application from Lani Witters:

Lani Witters requested \$1,000 for travel to Costa Rica for research in order to infuse international content into her EVRN 130 course. She will receive a \$4,000 stipend from JCCC's UISFL grant, but the costs of her travel to Costa Rica exceed the stipend amount.

The committee noted that this request fits its criteria for funding. In addition, the content Lani develops will be available to other faculty for use in their courses. The committee approved the full requested amount of \$1,000.

Criteria for a Course to be Included in the Global Awareness Program (GAP):

Reference was made to the October 2021 committee meeting during which the committee noted the absence of a guideline for the percentage of global content required for GAP-approved courses. The committee requested that such a guideline be discussed at the next meeting.
