Email: CLukeH@ksu.edu
Home Page: www.hhs.k-state.edu/idfs

The professional curriculum in Interior Design is accredited by the Council for Interior Design Accreditation (CIDA) and the National Association of Schools of Art and Design (NASAD). Contact the Department of Interior Design and Fashion Studies, 785-532-6993, for information about criteria for admission to the Interior Design program. **The professional program in Interior Design requires completion of an eight-semester sequence of studio courses at K-State. Therefore, attendance at an accredited two-year college will not shorten graduation completion to less than four years.**

- Admission to the Interior Design program is selective and highly competitive. Transfer applicants must submit a complete K-State admission application including official transcripts for all post-secondary courses completed, and application fee to the K-State Office of Admission. Student are encouraged to submit applications by Feb. 1. See https://www.hhs.k-state.edu/idfs/interior-design/faq.html for frequently asked questions.
- Up to half of the credits required for a four-year degree may be completed at accredited two-year colleges. The B.S. in Interior Design requires 120 semester credit hours; 60 semester credit hours can be applied from accredited two-year colleges. However, it is possible these credits may not fulfill degree requirements.
- Each student must complete at least 30 hours of resident credit at K-State.
- A minimum of 45 hours must be at a course level of 300 or above.
- Students must complete 20 of the last 30 hours of resident credit at K-State.
- Letter grades are required. Courses with "pass" or "credit" in lieu of letter grades can apply only as unrestricted electives.
- Grades of "C" or higher are required in all "Professional Studies" courses.
- All K-State students, including transfer students, are required to successfully complete credit-bearing courses/experiences to complete the K-State 8 General Education Program requirements. For information, see https://www.k-state.edu/kstate8/. Transfer courses evaluated as equivalent to K-State 8 courses can be applied to meet K-State 8 requirements.
- Contact the College of Health and Human Sciences for current program requirements. See https://catalog.k-state.edu for course descriptions and prerequisites.
  For personalized guidance if planning on transferring into the interior design program at K-State, please contact Luke Holt at CLukeH@ksu.edu or 785-532-1320.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

KSU Courses	Hrs	JCCC Courses	Hrs
Communications (8-9 hours)
