This degree offering consists of courses taken from Kansas State University Polytechnic, Johnson County Community College, and any FBO (Fixed Based Operator). This program partnership allows a student to remain in the Kansas City metropolitan area while completing a K-State Polytechnic Bachelor of Science in Aeronautical Technology - Professional Aviation degree.

Student can pursue flight training at any FBO (Fixed Base Operator), core degree courses are delivered online by Kansas State University Polytechnic, and general education credits are offered through Johnson County Community College and are offered either online or in person.

**It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.**
