BlueCard Program

BlueCard®
Your health benefits travel with you

The BlueCard® program offers a national Preferred Provider Program (PPO) to members who travel or live outside the Blue KC service area. Members will receive covered services from a PPO preferred provider. The member ID card will serve as your BlueCard® ID.

Finding a PPO provider when traveling is easy! Simply call 1-800-810-BLUE (2583) and someone is available 24 hours per day, 7 days per week to take your call. Members can use this toll free number to locate BlueCard® Traditional and BlueCard® PPO providers in their home area, while in another Plan's service area, or to determine a given provider's current participation status in any of these networks.

When traveling and receiving care, you will be required to get prior authorization before any hospital admission. The phone number to call for prior authorization is on the back of the member ID card. Please note, this phone number is different from the number mentioned above.

No matter where you go, BlueCard® will help you feel right at home.

Now, Home is Where the Card is®
