Spring 2011

Credit Class Schedule

Printed Sept. 24, 2010

Go green! Help minimize waste at JCCC.

If you don't want to keep this schedule, please place it back in the rack or on the table so someone else can use it.

**Plan it ...
check it ...
do it!**

Use DegreeCheck to

- Learn which degree or certificate requirements you have already met and what you have left to complete.
- See whether you're close to earning a different degree or certificate.
- Plan your future enrollment in the classes needed to complete a degree or certificate.

To access DegreeCheck, log in to MyJCCC – EASI – Student & Financial Aid – DegreeCheck.

The most current and accurate information about the schedule of credit classes is online at **<http://www.jccc.edu/CreditClassSearch>**. Computers for your use are available on campus in the Success Center on the second floor of the Student Center and in the library.

Johnson County Community College

12345 College Blvd., Overland Park, KS 66210-1299 • www.jccc.edu

The spring catalog of courses is online. Students are responsible for checking the most current college catalog for changes and additions to courses and programs. The catalog is updated in March and September each year.

ACADEMIC ACHIEVEMENT CENTER (AAC)

The Academic Achievement Center offers credit courses to develop basic skills or enrich present skills in a self-paced learning lab environment. Students do not need instructor permission to enroll in AAC courses.

Note: Students enrolled in non-online AAC classes that indicate the time is to be arranged (TBA) should report to the Academic Achievement Center, LIB 227, during the first week of the semester or within one week of enrollment. Though self-paced, all coursework must be completed by the end of the 8 week semester. A JCCC student ID is required.

Students wanting to enroll in BIOL 122/123, Principles of Biology Lecture/Lab, will now need to enroll in BIOL 121, Introductory Biology for Non-Majors. Students should consult a counselor for information on transferability.

Tutors are available for students enrolled in biology classes at JCCC. Tutors are located in the Science Resource Center, CLB 112. Contact your instructor or call 913-469-7686 for hours.

The CASE Classroom, CLB 112, is available to students enrolled in science classes. Some classroom assignments may require work to be done in the CASE Classroom. A current student ID and enrollment in a science class are requirements for using the CASE Classroom. The CASE Classroom provides instructional materials in the form of computer software, audiovisual media and internet resources.

HEALTH OCCUPATIONS (AVHO)

Most AVHO classes meet at King's Cove Office Park, 10000 West 75th St., Merriam, KS, 66204. Check Registration Summary for the exact location of your class.

For enrollment and tuition information check the Open/Closed class listing on the JCCC Web page; click on classes; then credit class search; then click on the semester; highlight course prefix AVHO Health Occupations, then click on show classes. Click on the CRN number for additional information and costs.

For enrollment information contact Registration at 913-469-2330. Go to www.jccc.edu/healthoccupations for information regarding health occupation classes.

Health Occupation classes (CNA, CMA, HHA, RA, IV Therapy, CNA-Refresher and CMA-Update) must be paid by the payment deadline. You may pay online with a credit card, debit card or check. In-person payment may be made at the Business Office (GEB 115), on the main campus, during regular business hours. No payment information is accepted by telephone.

LEARNING COMMUNITIES (LCOM)

Learning communities are two or more courses centered on a theme and taught by a team of teachers. By combining two or more courses together, a learning community shares materials and assignments in ways that connect the learning from one course to another. Students earn full credit for each course in the learning community. Courses in a learning community are

listed as separate courses on students' transcripts. For more information contact Jeff Frost, 913-469-8500, ext. 3104, or e-mail jfrost@jccc.edu.

LCOM 098 - Accelerated Math: Fundamentals/Elementary Algebra

Prerequisite: An appropriate score on an assessment test

LEARNING STRATEGIES (LS)

Learning Strategies courses offer students opportunities to acquire the thinking and study strategies needed to be a successful college student. Strategies taught in the courses include textbook, lecture-note, memory, and exam strategies. It is recommended that students take one strategies course at a time. For more information contact Maggie Ackelson at 913-469-8500, ext. 3335, or e-mail mackels@jccc.edu.

MATHEMATICS (MATH)

The Math Resource Center, CLB 212, provides tutorial support on a drop-in basis to all JCCC math students. The MRC supervisor and peer tutors are available to help you solve math problems individually and to recommend resources such as videotapes. Assignments in some math courses require the use of the computers in the MRC Computer Lab. Contact the center at 913-469-8500, ext. 4242, or at mrc@jccc.edu. Fall hours are 7am to 9pm Monday through Thursday, 7am to 4pm on Friday, 11am to 4pm on Saturday and 12pm to 4pm on Sunday. Visit the Math Resource Center Web page at www.jccc.net/mathresourcecenter.

PHYSICS (PHYS)

Tutors are available for students enrolled in Physics classes at JCCC. Tutors are located in the Science Resource Center, CLB 112. Contact your instructor or call 913-469-7686 for hours.

The CASE Classroom, CLB 112, is available to students enrolled in science classes. Some classroom assignments may require work to be done in the CASE Classroom. A current student ID and enrollment in a science class are requirements for using the CASE Classroom. The CASE Classroom provides instructional materials in the form of computer software, audiovisual media and internet resources.
