JOHNSON COUNTY COMMUNITY COLLEGE FOUNDATION

With more than 46,000 students enrolled in credit and noncredit classes each year, Johnson County Community College is one of the state’s largest institutions of higher education. Known for excellence in programming and teaching, JCCC offers a full range of undergraduate credit courses and 150 career and certificate programs that prepare students for employment. JCCC’s noncredit workforce development program is the largest, most comprehensive in the Kansas City area.

The JCCC Foundation has helped thousands of students pursue their dream of a college education. Students with exceptional needs, such as single parents and displaced workers, and talented students in all areas of study benefit from Foundation scholarships. Last year, the JCCC Foundation disbursed over $1 million for student scholarships, but this covered only a fraction of student need. In Fall 2015 a Johnson County resident taking 15 credit hours will need $1,365 per semester for tuition and approximately $800 for books. This does not include additional costs such as tools and supplies that are required by specific programs.

Some Enchanted Evening is the key scholarship fundraiser for the JCCC Foundation. The evening includes an elegant five-course gourmet dinner served with fine wines, a social hour, entertainment arranged and performed specially for the evening, and dancing until midnight. The highlight of this evening will be honoring the Johnson Countian of the Year.

JOHNSON COUNTIAN OF THE YEAR HONOREES

2014 Dr. Gary Morsch  
2013 Lynn Mitchelson  
2012 Audrey Langworthy  
2011 25th Anniversary  
2010 David Wyson  
2009 Terry and Peggy Dunn  
2008 Fred Logan

- Lockton Companies

SPONSORSHIP
Participation in Some Enchanted Evening as a sponsor establishes an Endowment or Scholarship in the company’s name through the Johnson County Community College Foundation. Some Enchanted Evening sponsors provide much-needed assistance for JCCC students. Sponsors may direct their contribution to support students interested in specific areas of study, such as engineering and technology, healthcare, and many other professional and vocational fields. Additionally, a sponsorship includes a table for eight, specially designated for the donor and its guests, full-page color recognition in the Some Enchanted Evening program and acknowledgment in event publicity. Your participation as a sponsor will ensure the continued success of Some Enchanted Evening as the primary fundraiser for scholarship funds at JCCC.

GOLD SPONSOR
- Establishes an endowment through the JCCC Foundation
- Table for eight specifically designated for the donor and guests
- Distinguished full-page color recognition in the Some Enchanted Evening program

LEGACY SPONSOR
- Establishes named endowment through the JCCC Foundation to provide scholarships for deserving JCCC students in perpetuity
- Listing on the Foundation Donor Board
- Invitation to Johnson County of the Year luncheon

OPEN PETAL SPONSOR
- Name or logo included on printed materials
- Event recognition

SUNFLOWER SPONSOR
- Prime location table for eight specially designated for the donor and guests

JCCC Education.

In 2007, Saint Teresa’s Academy chose Cohen to receive the Mother Evelyn O’Neill Award from the School of Education, University of Kansas, for her professional contributions to education agencies, public and private schools, colleges, universities and state and local government organizations along with a variety of other education stakeholders.

In addition, Cohen serves as assistant director of the William T. Kemper Foundation from 1993 to 1997. She was assistant vice chancellor for academic affairs at the University of Kansas Regents Center from 1976 to 1992. Cohen began her education career as a teacher. She taught fifth, sixth and seventh grades in the Kansas City, Missouri, School District at Edward C. Meservey School and the William Rockhill Nelson Demonstration School. She taught science for K-7 grades for the Kansas City School District’s educational television station KCSD – TV Channel 19. She also hosted a program called “Something of Interest” on Telecable, which is now Time Warner Cable.

Cohen received a doctorate in education administration from the University of Kansas. She received her master’s degree in arts in science education for elementary teachers from Columbia University and was awarded a bachelor of science in education at the University of Missouri at Columbia.

Cohen served as chair of the Board of Overseers for the U.S. Coast Guard Academy, receiving the Coast Guard medal for meritorious public service. In addition she served as president of the Overland Park Rotary Club and president of the Overland Park Rotary Club Foundation Board, commissioner of the Kansas City Area Transportation Authority, Overland Park Planning Commission and the Johnson County Community College Foundation Executive Committee. She served as chair of the World War I Museum Board of Directors and as interim president and CEO of the World War I Museum.

In 2007, Saint Teresa’s Academy chose Cohen to receive the Mother Evelyn O’Neill Award for Excellence in Education. In 2010, Cohen received the Hugh Speer Award for Distinguished Service to Johnson County Community College.
