Welcome Back!

Welcome back high school counselors! I hope you had a well deserved relaxing summer vacation. Now, I hope you're geared up for another exciting academic year!

JCCC has many exciting things that have happened and will occur this year. Last Spring was an exciting year for our campus Newspaper winning Journalist of the Year, our athletic programs excelled and our Office of Diversity, Equity and Inclusion will be traveling to DC to receive a prestigious award for JCCC!!

Casey Wallace,
Campus Visit
Coordinator

Been with JCCC:
5-years

How I can help you?
I am responsible for students interested in visiting campus. I am the Student Ambassador supervisor, whose primary responsibility is touring students and guests around JCCC.

I also handle all group visits. If there's a group you would like to bring to campus during the day I would be more than willing to accommodate that for you.

Get trained & get a job!

JCCC's Center for Business and Technology is offering a Teller Certification course for non-credit.

Even in these tough times, opportunities to advance are available to a bank or a credit union. In this 36-hour course students will learn all the skills necessary to start as a teller.

Topics include professionalism and customer service, handling and processing money, banking products and accounts, banking operations and security procedures. Students will have the opportunity to train in a simulated environment where you will practice typical tasks and customer relations.

High school students wanting to get a part-time job to earn extra cash this is perfect opportunity! Also, students looking to go in to banking as a college major and/or profession this will give

practical experience in the banking industry. Most importantly, it gives students to begin networking within the industry.
