Returned Payments (Checks, Bank Accounts, and ACH's)

Returned Electronic Payments Due to Invalid Account Entered:

If an electronic bank account, ACH, etc. payment to the college is returned as an invalid account number, your records will be placed on hold, and you will be charged a return check fee of \$5 for each returned item. JCCC will email to the student email account notification that the bank has returned the payment due to an invalid account number. The student will have one week to pay the \$5 fee plus the amount of the payment. If the obligation is not paid within the week, the student will be dropped from classes for which that payment was intended.

Returned Checks and Electronic Payments for All Other Reasons:

If a check, bank account, ACH, etc. payment to the college is returned for **any other** reason, your records will be placed on hold, and you will be charged a return check fee of \$25 for each returned item.

If the payment for your tuition and fees is returned, you will be dropped from all classes in addition to being assessed the \$25 return check fee. Your records will be placed on hold until you pay the return check fee and all outstanding JCCC financial obligations. Once you have a returned check, bank account, or ACH payment the college will accept **only** cash, money order, Mastercard, Visa, Discover, or American Express payments for one year from the time all financial obligations were satisfied.

You will be notified at your current student address if your payment is returned. If the payment is not made to the college within 10 days, the matter may be referred to a collection agency.

If you are dropped from classes for a returned check, bank account or ACH payment, and you wish to be reinstated in open classes, you must re-register and pay in full within one week from the date you are dropped.

For more information, contact the Business Office at 469-2567.
