November 1st – December 18th (2009) = Private Lessons/Instruction Session # 1

Individual Instruction will be provided by JCCC Assistant Baseball Coach's Eric Horner and David Canary in Hitting/Pitching/Infield/Outfield/Catching. Lessons will be in 30 minute blocks and will utilize the same drills and techniques that the Cavaliers used to reach the 2008 JUCO World Series. This will be a great opportunity for players to knock off the winter rust and begin to prepare for the upcoming season. Campers will pick one or two areas in which they want to work on.

Cost: \$150 / 4 lessons (30 minutes per lesson)

Time: TBA

Ages: All

Facilities: JCCC Indoor Facility

November 8, 15, 22 & December 6, 13, 20 (2009) = Live Indoor League

JCCC winter indoor league is set up to help young baseball players improve their skills during the cold, Kansas winters. Live pitching and hitting will help players see as game-like competition as possible to help them prepare for the upcoming season. Games will take place in a batting cage with a live catcher, hitter, and pitcher. Different areas of the cage will be designated for singles and homeruns. Games will be as game like as possible except for base running and defense. What better way to improve your skills than to play a simulated game in an indoor cage against some of the best players in the Kansas City Area. Pitchers can fine tune their mechanics and improve their arm strength by throwing year round. Hitters can work on their techniques while developing a better eye seeing opposing live pitching. Divisions will be based on grade level player is currently in. Teams **MUST** have at least 6 players on a team.

Cost: \$100 / per player

Time: Sundays 4:00 pm – 10:00 pm

Ages: 10 - 18

Includes: T-Shirts for Winning Teams

December 18, 19, 20 (2009) = Christmas Hitting / Pitching Camp

Each night the 1 hour hitting portion of the camp will take players through a hitting circuit that will help perfect their swing and polish their fundamentals. The camp will also touch on the mental aspects of hitting, as well as helping the hitter find the right approach at the plate. The nightly 1 hour pitching segment of the camp will help pitchers to polish their mechanics from the winter layoff. The indoor facility will allow the players to have valuable off season throwing time in a top-notch indoor facility. Players will participate in drill work and be schooled in some situational aspects of pitching. The camp will be run by JCCC Assistant Baseball Coach David Canary, and JCCC players will assist with hitting and pitching stations along with sharing their college playing experiences with the campers.

Cost: \$100 / Per Player

Discount: If a camper only wants to attend the hitting or pitching portion of the camp a \$35 coupon will be issued to that camper.
