MARKETING/SALES OPPORTUNITIES

The following three companies tend to look for someone who wants to work about 12 hours a week. Pay is typically around **\$12-\$14/hr**, sometimes more. Project work is sometimes available. May offer 32 hours a week or occasionally full-time work.

- www.mosaic.com Registration required. Check site every so often for updates. Mosaic will e-mail register users about openings in the area. Clients have included Epson, Cell phones, Wal-Mart, etc. Mosaic also sets-up the DVD displays in Best Buys, Wal-Marts, etc.
- www.nationalinstore.com Registration required. Check site every so often for updates. You will be notified when an opportunity is available in your area. Clients have included Wal-Mart, Lowe's & Home Depot.
- www.bdsmarketing.com Registration required. Clients have included HP, Xerox and Time Warner.

PROJECT WORK WEBSITES

- www.narms.com Several jobclubbers have signed up on narms.com and have been called for project work. Types of project work performed include being a parking assistant for a NASCAR race, restocking shelves at Phillips gas/ convenience stores after being remodeled and hosting coffee tasting events at Dillard's.
- <http://kansascity.craigslist.org> Many creative-type project work such as writing, design, etc. Please use prudent judgment when assessing opportunities online.
- www.snagajob.com Mainly fast food, restaurant and retail jobs.
- www.sologig.com Site featured for its project work, but majority of listings seem more like full-time positions

NATE'S SWAP & SHOP

8200 E. 63rd St. (at U.S. 350 and I-435) | Saturday and Sunday only, 816-353-1627

Of Kansas City's two outdoor flea markets at drive-ins, Nate's has the more eclectic collection of vendors, peddling everything, literally, from canned soup to lug nuts. Dealers, who typically arrive at dawn, pay Nate a flat fee to sell anything they want (except beverages, candy, gum and snacks). Customers pay \$1 to drive in, park the car and wander about.

BOULEVARD DRIVE-IN SWAP & SHOP

www.boulevarddrivein.com

SELL YOUR OLD GOLD JEWELRY

With gold being of such high value, selling your no longer worn gold jewelry can bring in some cash. However, when selling your old good jewelry, the workmanship is not part of the calibrated cost. Rather, it is the amount of gold and karat grade that is assessed. Also, if one goes through a broker and not directly to a gold reprocessor, the return investment will not be as substantial.

ZLB PLASMA

www.zlbplasma.com

PLASMA DONOR

It pays to save a life. ZLB Plasma is a division of CSL Behring, one of the world's leading pharmaceutical companies specializing in the manufacture of plasma-derived products.
