

Johnson County Community College
Transfer Program to Drury University
Hammons School of Architecture

Architecture Program
2024-2025 Catalog

Contact: Dr. Panos Leventis,
Associate Dean of the Hammons
School of Architecture
Phone: 417-873-7409
Email: pleventis@drury.edu
Web: www.drury.edu/architecture

The Architecture Program at JCCC has worked in cooperation with Drury University, within The Hammons School of Architecture, to develop a direct transfer curriculum that meets the goals of the university and our students for the first year of transfer into Architecture. Additional requirements such as GPA score, portfolio, admissions, interview, etc. may also be required for acceptance of the courses and admittance into the program. For more information, please visit <http://www.drury.edu/architecture>.

The Associate of Arts at JCCC satisfies the Drury Fusion curriculum with the exception of the Ethical Foundations requirement, and a required 12-credit themed certificate.

This transfer guide is based on current academic catalogs, and transfer details may change. To assure up-to-date guidance, please contact Dr. Panos Leventis, Associate Dean of the Hammons School of Architecture, at pleventis@drury.edu.

To apply for transfer to Drury University, please visit <https://www.drury.edu/admission/transfer-to-drury>.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

General Education Courses:

Drury Fusion General Education Curriculum	Hrs.	JCCC Equivalents	Hrs.
COMM 211 Presentational Speaking	3	COMS 121 Public Speaking	3

Free Elective	3	ARCH 210 Design History & Society ^{^^}	3
Free Elective	3	ARCH 220 Sustainability in the Built Environment ^{^^}	3

* JCCC course has a prerequisite or corequisite.

[^]All architecture studios must be taken together to equal multiple course equivalents of core architecture studio classes as a whole.

^{^^} These courses do not meet specific Drury M.Arch. requirements, but contribute to overall credit-hour requirements.

Additional JCCC courses may satisfy Drury Fusion (general curriculum) requirements or electives. Students considering transferring will be assigned a Drury architecture professor to provide advice about transfer procedures and course selections.
