The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#), the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

- 1) The School of Business & Technology at Emporia State University offers majors in Accounting, Business Administration, Information Systems & Analytics, Business Education, and Computer Science. On campus programs are geared towards the traditional students with daytime courses and only a few evening courses.
- 2) The School of Business & Technology at Emporia State University - Kansas City (Overland Park) offers majors in Accounting and Business Administration. Courses are offered in a combination of evening courses and online courses during the traditional ESU fall, spring and summer semesters. Fall and spring weeknight courses meet once a week. Summer courses are taught online only.
- 3) Admission requirements for the School of Business & Technology and current tuition rates may be viewed at <https://www.emporia.edu/business/>. Applications to Emporia State University may be obtained online at <https://www.emporia.edu/admissions-costs/>. Students should request official transcripts from all colleges and universities they have attended to be sent directly to the ESU Admissions Office.
- 4) Through a consortium agreement, it is possible to receive financial aid based on a combination of enrolled hours. Students concurrently enrolled in courses at ESU and JCCC can contact the Financial Aid, Scholarships & Veterans Office for more information regarding the consortium agreement.
- 5) Students must complete a minimum of 51 credit hours prior to taking ESU courses, including EG 101 Composition I (ENGL 121 at JCCC), EG 102 Composition II (ENGL 122 at JCCC), AC 223 Financial Accounting (ACCT 121 & ACCT 122 at JCCC), BC 103 Principles of Economics I (ECON 230 at JCCC), BU 102 Business Dynamics** (BUS 121 at JCCC), IS 113 Introduction to Digital Information and Applications (CIS 124 OR CSS 128 at JCCC), MA 110 College Algebra (MATH 171 at JCCC). It is strongly recommended that the following courses be completed prior to admission to the School of Business & Technology: BC 104 Principles of Economics II (ECON 231 at JCCC), IS 213 Management Information Systems (CIS 201 at JCCC), and SP 101 Public Speaking (COMS 121 at JCCC). If these recommended courses are not completed prior to admission, the student must enroll in these courses the first semester after admission and every semester thereafter (including summer semesters) until these courses are successfully completed.
- 6) Graduation Requirements:
 - o 120 semester hours (minimum) are required for this degree.
 - o 60 hours must be completed at a four-year school.
 - o Cumulative GPA of 2.35. Graduates must also have a cumulative GPA of 2.35 in the business core.

Graduation Requirements cont.

- All students must have at least 45 hours of credit in courses numbered 300 or above from a four-year school.
- At least 50% of the business credit hours required for a business degree must be earned at ESU.
- Residency Requirements: Earn 30 of the final 45 hours in residence, of which 6 of the final 12 hours must be in residence.

General Education:

- Students must complete the [ESU General Education Core Requirements](#). Effective Fall 2024: Students transferring to ESU, with an AA, AFA or AS degree from JCCC will be considered to have satisfied ESU’s general education curriculum.
- Effective Fall 2024: Students who transfer to ESU, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting ESU requirements. To learn more about courses that satisfy ESU general education requirements should refer to the tables in the [ESU General Education Core Requirements](#) guide for course equivalents.
- Note: The ESU General Education Core Requirements can be found at: <https://www.jccc.edu/student-resources/transfer/files/transfer-guides/esu-gen-ed-core-requirements.pdf>

The following courses are part of the ESU Common Business Core and have equivalent courses that may be taken at JCCC. Students are advised not to take more than 60 hours at JCCC, as the remaining 60 hours for the ESU degree must be earned at a four-year school.
