The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see JCCC A.A. degree requirements. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

- The College of Business Administration offers majors on campus in Accounting, Entrepreneurship and Innovation, Finance, Management, Marketing, Management Information Systems, Operations and Supply Chain Management and Professional Strategic Selling. Minors in Business, Entrepreneurship and innovation, Management, and Marketing. Certificates in Business of Sports and Entertainment, Data Analytics, Diversity, Equity, Inclusion, and Belonging in Business, International Business, Investment Management, Marketing Technology, Professional Strategic Selling, and Supply Chain Management. For majors, minors and certificates offered Online, click here.

- A minimum of 120 credit hours are required for an undergraduate bachelor's degree in the College of Business.

- The KSU College of Business Administration has adopted a Business Administration Pre-Professions (BAPP) designation for all entering students. Completion of 45 credit hours (both transfer and K-State hours) in this program with a K-State GPA of at least 2.5 is required before the student will be admitted into one of the degree tracks (majors).

- Transfer students (those coming to K-State who have earned any credit hours since high school graduation) must have a 2.5 transfer GPA to be admitted to the College of Business. Transfer students must achieve a K-State GPA of 2.5 or higher on the first 15 or more hours of K-State course work to be able to continue in the College of Business and enter into a degree track. (Transfer coursework to KSU College of Business Administration carrying a grade of "D" will not be accepted toward a student's business degree requirements.)

- Transfer students with more than 60 hours MUST declare a major after their first 15 hours at K-State.

- A maximum of 60 credit hours from a community college will be applied toward the bachelor's degree.

- Effective Fall 2024: Students transferring to K-State, with an AA, AFA or AS degree from JCCC will be considered to have satisfied K-State Core general education curriculum.

- Effective Fall 2024: Students who transfer to K-State, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting K-State requirements. To learn more about courses that satisfy K-State Core requirements visit: https://www.k-state.edu/provost/kstate-core/index.html and https://www.k-state.edu/admissions/undergrad/manhattan/apply/transfer/course-search.html

- K-State Core General Education guide can be found here.

- Transfer students are also encouraged to sign up for K-State's DirectLink Program, which provides them with a K-State College of Business Academic Advisor to work with them during their community college career to ensure they are up-to-date on curriculum changes and their courses align directly with our requirements. Click here to sign up for DirectLink.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
