The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

The focus of the Technology Administration program is on the application of technology in administration, economics, leadership, safety, management, production and service. You will build on your previous courses and gain additional knowledge to help advance your career in your chosen field.

All Technology Administration coursework is 100% online. Flexibility is the key to the Washburn University Technology Administration program, allowing you to work full or part-time, attend classes anywhere in the nation, and complete your degree on your schedule.

**Admission Requirements:** Candidates for admission to the Bachelor of Applied Science degree program with a major in Technology Administration must meet the following requirements:

- Completion of an associate degree from an accredited institution.
- A cumulative grade point average of 2.0 or higher on a 4 point scale on the associate degree and with a grade of "C" or higher in all major and related courses.
- Contact the Technology Administration Program director for advising.
- Complete the application online at [www.washburn.edu/apply](http://www.washburn.edu/apply).
- Send official transcripts of all previous college work to: Washburn University, Office of Admissions, 1700 SW College, Topeka, KS 66621 or submit them electronically at [etranscripts@washburn.edu](mailto:etranscripts@washburn.edu)

**Requirements for Bachelor's Degree**

- Minimum of 120 semester hours of credit
- Minimum of 60 semester hours from Washburn or a four-year college or university; at least 30 hours must be completed through Washburn
- Minimum of 45 semester hours of credit from courses at the upper division level
- Must complete 34-35 hours of General Education, see info page 2
- Minimum of 84 graded hours
- Grade of "C" or better in courses counting towards the university requirements, major, and minor

**Minor Options**

Students who have successfully completed the required and elective courses of the BAS in Technology Administration may qualify for a minor. Minor options include Business Administration, Communication Studies, Health Services Administration or Public Administration. Minors in Communication Studies, Health Services Administration and Public Administration may also be completed entirely on-line.

For assistance, in declaring a minor, please contact the: School of Business office in HC 114, (785) 670-1308; Communication Studies office in MO 206, (785) 670-2230; Health Services Administration office in BE 107, (785) 670-2170 or, Public Administration office in HC 215,(785) 670-1737.

## General Education

Students must complete the [Washburn General Education Core Requirements](#). Effective Fall 2024: Students transferring to Washburn, with an AA, AFA or AS degree from JCCC will be considered to have satisfied Washburn's general education curriculum.

Effective Fall 2024: Students who transfer to Washburn, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting Washburn requirements. To learn more about courses that satisfy Washburn general education requirements should refer to the tables in the [Washburn General Education Core Requirements](#) guide for course equivalents.

Note: The Washburn General Education Core Requirements can be found at:
