

## Instructional Videos Available to JCCC Math Students

8/2014

- **Free streaming instructional math videos are available to JCCC math students: Basic Math, Prealgebra, Algebra 1, Algebra 2, Geometry, College Algebra, Statistics, Trigonometry, Business Calculus I-II, Calculus I-III, and ACT-SAT Prep**

To access streaming instructional videos, calculator instructions, and more register for the Math Resource Center Online Community in Desire2Learn:

- 1) Log into D2L.
- 2) On the right toward the bottom of the page is a box named "Open Registration Form". Click the "Math Resource Center (MRC) Online" link in this box.
- 3) Follow the registration instructions.
- 4) Go back to the main D2L page and on the left toward the bottom of the page in the "My Courses" there should be a section called "Communities" and a link to the "MRC Online".

You will only need to go through the registration process one time.
