• The School of Business offers a Bachelor of Science in Business degree with seven majors available: Accounting, Business Administration, Finance, Information Systems, Marketing, Management and Leadership, and Supply Chain Management. In addition to the seven majors, the school offers five business concentrations in Information Systems, International Business, Human Resource Management, Entrepreneurship or Supply Chain Management.

• The KU undergraduate business programs are offered in a traditional classroom-based format on the Lawrence campus, with very few options for evening or online courses.

• Students must first apply to the University of Kansas. Applications to the University of Kansas may be obtained online at www.admissions.ku.edu, or through the KU Office of Admissions. Students should request official transcripts from all colleges and universities they have attended be sent directly to the KU Office of Admissions.

• After being granted admission to the University, students must complete a separate application for the School of Business. Students who have not met the prerequisite requirements for the School of Business will remain in the College of Liberal Arts and Sciences and will apply to the School of Business when prerequisite requirements are satisfied. JCCC students who will have completed all the prerequisite requirements before transferring and wish to be considered for direct admission to the School of Business should contact the KU advisor at JCCC to learn about the application process, or speak to an advisor at the KU main campus. Call 913-469-3809 for an appointment with the KU advisor.

• Application deadline for direct admission to the School of Business is February 15 for fall and September 15 for spring. Students should apply to the School of Business during the semester they will complete the admission requirements.

Minimum requirements to apply to the School of Business include:

• Completion of at least 60 transferrable college credit hours that include the following required pre-business classes or equivalents: ACCT 200 Financial Accounting I, ACCT 201 Managerial Accounting I, DSCI 202 Statistics, ECON 142 Microeconomics, ECON 144 Macroeconomics, and IST 202 Intro to Information Systems.

• Foundation business courses must be taken for a grade.

• Effective Fall of 2008, students may only use courses with a grade of “C” or higher to fulfill requirements. Courses with the grade of “D” or “F” will still be included in the overall GPA for admission, but will not satisfy requirements.

• Repeat policies that apply at JCCC do not transfer to KU School of Business. All repeated courses will be calculated in the School of Business GPA when transferred.

• At least a 2.5 GPA in all college coursework, in all professional coursework (all business and economics courses), in coursework completed at KU, and in all professional coursework (all business and economics courses) completed at KU.

• Only students meeting all of the above requirements at the time of application will be considered for admission to the School of Business. Because admission is competitive, meeting all of the requirements does not guarantee admission into the School of Business.

• Students meeting the minimum admission requirements who have also earned at least a 3.0 in all professional coursework are guaranteed admission into the School of Business.

• A student may apply a total of 63 hours of community college coursework to KU. Students with more than 63 hours of community college coursework cannot apply the hours toward the 120 hour graduation requirement. Students are required to complete 45 credit hours of junior/senior level coursework to satisfy graduation requirements.

To fulfill IDR, student has the following options:

- Demonstrate “4th level” proficiency in a foreign language; OR
- Earn 6 credits in a KU Study Abroad program; OR
- Earn 6 credits in IDR-approved courses; OR
- Earn 3 credits in a KU Study Abroad program AND 3 credits in an IDR-approved course

Note: Classes that fulfill the IDR can also count toward fulfilling a KU Core requirement. For example, REL 125 would count toward the IDR and fulfill GE3H.

*NOTE* It is NOT recommended that students who want to major in Business at KU Lawrence take Public Speaking, SPD 121 here at JCCC. Effective the Fall 2016 semester, the School of Business at KU Lawrence is requiring all business students to take an upper division business speaking course (COMS 322) that will satisfy the KU Core and is a major requirement.

However, students will still need to complete SPD 121 to complete their Associates Degree and SPD 121 will count as an elective towards a KU Business degree.

It should also be noted, SPD 121 is still part of the degree plan for the BBA at KU Edwards.

The school of Business will accept MATH 231 with a grade of Pass/Credit.
KU Core requirements (each goal must be met)
Units must be 3 semester hours
Additional courses that satisfy the KU Core are continuously updated and available at kucore.ku.edu/courses.

Goal 3: Breadth of Knowledge (1 class/unit from each Category)

Why sign up for the JCCC and KU Degree Partnership Program (DPP)?

- Save money on core classes by taking them at JCCC
- Simultaneously work on upper level program-specific courses at KU
- Work through a seamless transfer process
- Receive support from engaging JCCC counselors and KU advisors
- Build your confidence for a university experience
- Earn two degrees through a reverse transfer process

Sign up at no charge! Joining now allows you to start mapping out your path for earning your associate’s degree from JCCC while you progress toward your bachelor’s degree at KU. Your consent to enroll in this program will permit JCCC and KU to exchange your records to assist you in your academic progress. Upon completion of this form you will be enrolled in the Degree Partnership Program and will receive an email within a week with more information regarding the program.

By signing below, I authorize Johnson County Community College and the University of Kansas to exchange my academic and financial aid records for the purpose of supporting my transfer credits, conducting a reverse transfer graduation audit, and enrollment at both colleges. This authorization to release information will remain in effect until I revoke it in writing.
