

# BLUESELECT PLUS NETWORK

## When savings is just as important as having quality care close to home.

BlueSelect Plus is a select network of healthcare providers specially designed to provide affordable access to quality care in and around the metro area. With this network, your premiums will be lower based on the discounts Blue Cross and Blue Shield of Kansas City (Blue KC) has negotiated with these providers.

## IMPORTANT:

Understand if your employer is offering the BlueSelect Plus on an Exclusive Provider Organization (EPO) plan or a Preferred Provider Organization (PPO) plan (or both). Then use the following guidelines to better understand the network and your coverage.

### 1 These counties are **IN NETWORK**

- **Missouri:** Clay, Jackson, Platte, Cass, Clinton, DeKalb, Johnson, Lafayette, Ray, Caldwell
- **Kansas:** Johnson, Wyandotte

Includes **3,600+ providers** and **10 hospitals<sup>1</sup>** primarily located in these six counties

### 2 These counties are **OUT OF NETWORK**

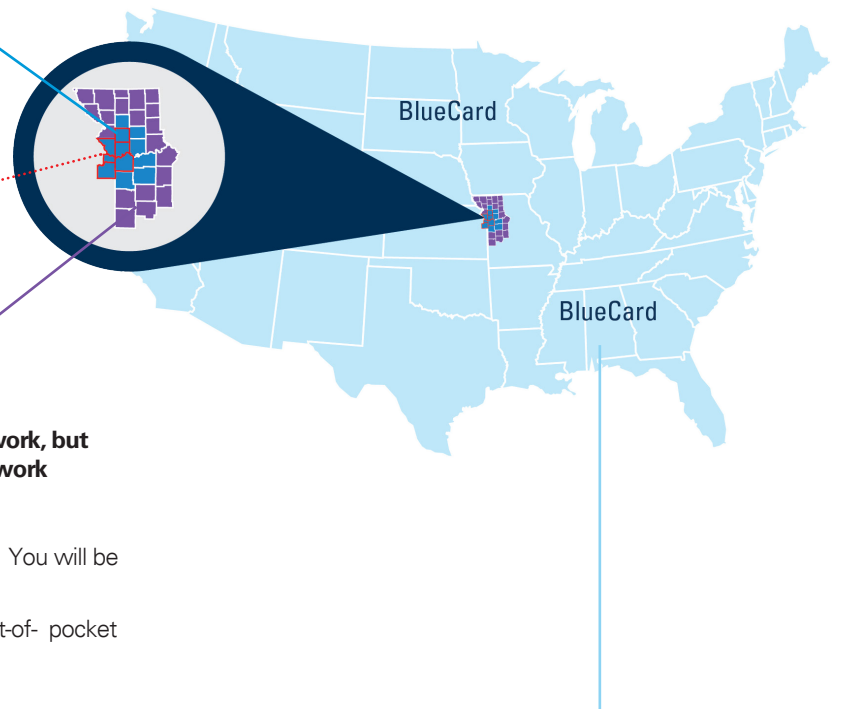

When receiving care outside the BlueSelect Plus Network, but within the 32-county Blue KC service, your out-of-network coverage depends on your plan type:

- **If EPO:** No coverage except for emergency services. You will be responsible for 100% of costs.
- **If PPO:** Out-of-network coverage, meaning higher out-of-pocket costs will apply.<sup>2</sup>

### 3 BlueCard for outside the 32-county Blue KC service area and across the nation (e.g., travel or vacation)

Your coverage depends on your plan type:

- **If EPO:** The BlueCard program provides you in-network access to medical care. However, if you use a non-BlueCard provider, you do not have out-of-network coverage except for emergency services.<sup>2</sup>
- **If PPO:** The BlueCard program provides you in-network access to medical care.

## START YOUR SEARCH

To view the most accurate provider finder results for the BlueSelect Plus network, be sure to first log in as a member on [MyBlueKC.com](https://www.mybluekc.com). After logging in, click **Find Care** and from the next screen click **Find a Doctor** to search for a provider in the **BlueSelect Plus network**.

<sup>1</sup> All other hospitals (and their providers) in and around the Kansas City metro area that are not in the BlueSelect Plus network are considered out of network. With the EPO plan type, you will be responsible for 100% of costs. With the PPO plan type, your out-of-network benefits provide some coverage, but higher out-of-pocket costs will apply.\* Emergency services are always covered at the in-network cost share.

<sup>2</sup> Out-of-network benefits are subject to the plan's allowable charge. Out-of-network providers may bill the member for the remaining balance.
