Transcript of Meeting

- Good morning and welcome to the special Board meeting of the Johnson County Community College Board of Trustees. It is Friday morning, April 9th. We're starting at 8:00 AM pursuant to the public notice. We have a single agenda item on the agenda this morning but I wanna first of all thank all of the trustees for making this extra special effort with a number of special extra meetings during our collective bargaining discussions. It's very important to the college and I know it's a sacrifice for each of us to do that. So, thank you for making yourself available today. Our only agenda item is to move into executive session for the purpose of discussing employer-employee negotiations. So, I would like to entertain a motion to go into executive session for the purpose of discussing employer-employee negotiations. No action will take place during the session. The executive session will last for two hours beginning at 8:05 and ending at 10:05 AM, at which time the open session will resume in this public Zoom link. We would like to invite Dr. Bowne, Dr. McCloud, Dr. Weber, Dr. Hardin, Leroy Cox, Dr. Singh, Rachel Lierz, Colleen Chandler, Kelsey Nazar and Melody Rayl to join the executive session. Members of the public, those are the members of the negotiating team on behalf of the college and the college administration. Do I hear such a motion?

- I move.

- Moved by Trustee Ingram seconded by Trustee Snyder to move into executive session from 8:05 to 10:05 AM. Is there any discussion? If not, all those in favor please signify by saying aye.

- [All] Aye.

- Opposed, no. That motion carries five, zero. Thank you, trustees. We'll move to the other executive session link and we'll return here at 10:05 to the public meeting. Thank you all. Welcome, we are returning from our executive session that ended at 2:05 or excuse me, 10:05 AM. We're back in an open session. No decisions were made during the executive session. We are ready now. Well, next Thursday, I guess, is our next regular board meeting. It will start at four o'clock. If you're watching as we have our annual budget workshop starting at four and then we'll move right into the agenda for the regular board meeting. With that, is there a motion to adjourn this special board meeting?

- So moved.

- Second.

- Moved by Trustee Lawson and seconded by Trustee Ingram that we adjourn. All in favor, say aye.

- [All] Aye. Before I say meeting adjourned, I do want to reflect that all seven trustees participated in the executive session, although not everybody was available for the initial opening session. Thank you. We are adjourned.
