A screenshot of a teleconference participants window. The window title is "Participants: 2". It shows a "Speaking:" section with a dropdown for "Panelists: 1" containing "Michael Rea (Host)" with a microphone icon. Below that is a dropdown for "Attendees: 1 (1 displayed)" containing "Kim Criner (me)". At the bottom, there are icons for muting, a hand, and a chat icon. A large blue arrow points from the text "Your food and packaging only sounds good to you!" in the welcome message to the microphone icon in the screenshot.

# Community of Action: Policies for Green Jobs

We are planning a conference call (with Debra Rowe, Todd Cohen and all of you) to assist everyone's efforts in policy and civic engagement to grow green job placements. The call will begin with some key updates and strategies, and will then open up for discussion about your specific needs to get mobilized locally. Plan to join us on Thursday, March 29<sup>th</sup>, at 1 pm eastern time for the one hour call. The information we get from you will also help us better plan the appropriate technical assistance.

You can join by Adobe Connect on your computers by clicking on the following link <http://oakland.adobeconnect.com/aaccgreenpolicycommunity/>. You can also call into 712 775 7000, passcode 667911#
