

Because of Covid-19, ESL classes will be on-line this semester.

To take classes with Johnson County Adult Education you must have 4 things.

1. An internet connection

2. A desktop computer with a camera **OR** a laptop computer with a camera
OR a tablet with a keyboard and a camera.

3. A smart phone with a camera

4. A quiet room in your home where you can attend class and study.

*****If there is more than 1 student in the same house, each person must have their own devices or must attend class at a different time.**
