

133rd Class Scenario Based Training Schedule

Please review the schedule carefully. If your agency is listed to bring a marked vehicle, please bring a 'black & white' patrol vehicle with overhead lights. It's vital to the training. If it lists an unmarked, it can be an unmarked police vehicle or the officer's personal vehicle. **Note that all START TIMES are 0730hrs.** Evaluators need to be current FTO's or past FTO's.
