Johnson County Community College has a limited number of grants available for College Now students who are unable to pay their tuition. If approved, this grant may only pay for one class at the Johnson County resident rate. If you enroll in more than one class, are charged a higher tuition rate or are denied the grant, you will be responsible for the difference and/or balance due.

Please read and initial each statement below:

_____ I will apply for admission and register for classes (by completing the process outlined at www.jccc.edu/collegenow) by the published deadline. I understand that I am not registered by simply completing this form, and that if I do not register, I cannot be eligible for this grant. Payment is not due at the time of enrollment.

_____ I will return this form to the JCCC Admissions office before the published deadline and will make a copy for my records.

_____ I understand that approximately two weeks after the College Now enrollment deadline, I will be notified by letter of the status of my grant application.

_____ I will READ THE LETTER!!

_____ I understand that if my grant is not approved, I will be given a period of time to pay for or drop my classes at JCCC. If my grant is only partially approved, I will need to contact the Dean of Student Services office to determine what classes I wish to remain in, pay for or drop.

_____ I understand that I must apply for the College Now grant each semester I enroll in a College Now class. And further, that receiving the grant one semester does not guarantee receiving it again.

_____ I understand that the approval, or denial, of a College Now grant has no relevance to the probability of my receiving college financial assistance when I leave high school.

_____ To ensure that this form was processed, I will log in to my MyJCCC account, click My Records tab, then My Profile, and then click on "Holds" in the upper right-hand corner to see if a Defer Payment hold was placed on my account.
