

Steps to Enroll for Fall 2019

- 1. Apply for Admission** at jccc.edu/admissions. To ensure your eligibility to enroll before the semester begins, apply no later than **July 19, 2019**. When your application is processed, you will receive an email that includes your JCCC ID number and login information. Information on previous college and high school transcript submission requirements can be found on the "Transcript Requirements" page on the admissions website.
- 2. Apply for Financial Aid** online at fafsa.gov. Use 008244 as the JCCC school code when you complete the electronic FAFSA (Free Application for Federal Student Aid). Log in to your MyJCCC student account to view your financial aid status. A list of financial aid requirements will be displayed. These requirements must all be met before your financial aid can be awarded. If your financial aid file is complete by **July 1, 2019**, your accepted financial aid will protect your enrollment until funds are available. Don't forget to apply for JCCC scholarships at jccc.edu/scholarships.
- 3. Attend Orientation** in the Student Success Center or online (no sign-up required). **Online orientations** can be found on the JCCC website at jccc.edu/orientation. If this is your first time in college, an orientation session must be completed to fulfill your Personal Admission Plan requirement. New and transfer JCCC I-20 students must contact the International and Immigrant Student Services Office at 913-469-7680 for orientation requirements and important deadlines.
- 4. Complete Placement Testing** if required. Placement testing or submission of eligible ACT scores is required for admission of most degree-seeking students. Some courses at JCCC also require placement testing prior to enrollment. Visit jccc.edu/testing for exemptions to testing and for study guides. Students who need disability accommodation for the placement test may contact Access Services at accessservices@jccc.edu.
- 5. Meet with a Counselor** for assistance with academic advising, transfer information, personal or career counseling, and disability accommodations. Students should call 913-469-3809 to schedule an appointment with a counselor or an Access Services counselor. For more information, go to jccc.edu/counseling.
- 6. Enroll in Classes** online by logging in to your MyJCCC account. Enrollment dates are available in the Academic Calendar on the back of this publication and drop deadlines for classes may be viewed on our website. If you intend to enroll in a course that has a prerequisite which you successfully completed at another college, JCCC must receive and evaluate your official transcript or a counselor must review your unofficial transcript and issue a waiver prior to enrollment in the course. Official transcript evaluation may take up to four weeks from date received.
Class closed? Waitlisting may be an option!

Student Responsibility: JCCC reserves the right to cancel, combine or change the time, day, location or instructor of any class without obligation. Check your JCCC email regularly for emails regarding changes to your schedule and other official College communications. By registering for classes at JCCC, you agree to assume financial responsibility for all charges billed to your student account. In order to avoid financial responsibility, if you decide not to attend a class, you must officially drop that class within the stated refund periods. Be aware that dropping classes may reduce your eligibility for financial aid, resulting in debt owed by you. DO NOT assume you will be dropped automatically if you do not pay your tuition or if you do not attend class. Courses not dropped will be graded. For more information, refer to the Student Financial Responsibility Statement at jccc.edu.
