

Participation

Be a Shining Star for JCCC's Hopefuls

Shining stars like you paint a sky full of possibilities for JCCC students.

Your participation lets our students know someone believes in them.

Your gift transforms their dreams into realities.

It is easy for you to get involved. Sponsorships, purchasing a table/ticket or making a direct donation are ways to participate.

Did You Know?

Donors use creative ways to make charitable donations to JCCC.

Check with your tax advisor to explore your benefits of making noncash gifts (i.e., stocks, DAFs/QCDs above fair market value).
