The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see JCCC A.A. degree requirements, the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

- The BFA in Art is a 4-year, 120-credit hour program with concentrations possible in Studio Art or Visual Communication Design. **VCD curriculum is a set 3 year curriculum, after Portfolio Review, no matter how many credits already taken (gen ed/art elect/art hist).** Student must have ART 180 and ART 200 to go through the Portfolio process for either VCD or Studio Art. Student must maintain an overall 2.0 GPA in order to graduate with a BFA degree. This degree is considered appropriate preparation for the Master of Fine Arts degree.

- Formal evaluation of student work prior to admission to a chosen area of concentration is required upon completion of the Department of Art Foundation Core. A presentation of completed foundation coursework will occur during the spring semester when the foundation courses (13 hours) are completed. Visual course work must meet faculty approval, and upon passing the review, students may begin BFA study in the area of concentration they have selected. Student must pass ART 205: Portfolio Review to continue with a BFA degree.

- Effective Fall 2024: Students transferring to K-State, with an AA, AFA or AS degree from JCCC will be considered to have satisfied K-State Core general education curriculum.

- Effective Fall 2024: Students who transfer to K-State, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting K-State requirements. To learn more about courses that satisfy K-State Core requirements visit: https://www.k-state.edu/provost/kstate-core/index.html and https://www.k-state.edu/admissions/undergrad/manhattan/apply/transfer/course-search.html

- K-State Core General Education guide can be found here.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
