

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

The College of Health and Human Sciences offers a B.S. in Dietetics. The B.S. in Dietetics is available on campus and by distance education through K-State's Global Campus. See www.hhs.k-state.edu/fndh/academics/undergraduate/dietetics/ for information about each program option.

- Total credits required for graduation in Dietetics: 120 hours
- Up to half of the credits required for a four-year degree may be completed at accredited two-year colleges. Select no more than 60 hours from the list below.
- Each student must complete at least 30 K-State resident credits to be considered for a degree from K-State.
- A minimum of 45 hours must be at a course level of 300 or higher.
- Students must complete 20 of the last 30 hours of resident credit at K-State.
- Letter grades are required. Courses with "pass" or "credit" in lieu of letter grade can apply only as unrestricted electives.
- Grades of "B" or higher are required in all Professional Studies courses and all Major Support courses. Grades of "C" or better are required in all other "General Requirement" courses.
- Effective Fall 2024: Students transferring to K-State, with an AA, AFA or AS degree from JCCC will be considered to have satisfied K-State Core general education curriculum.
- Effective Fall 2024: Students who transfer to K-State, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting K-State requirements. To learn more about courses that satisfy K-State Core requirements visit: <https://www.k-state.edu/provost/kstate-core/index.html> and <https://www.k-state.edu/admissions/undergrad/manhattan/apply/transfer/course-search.html>
- K-State Core General Education guide can be found [here](#).
- For K-State course descriptions and prerequisites, see <https://catalog.k-state.edu/>.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

KSU Courses	Hrs	JCCC Courses	Hrs
K-State Core			
English (two courses)	6	See KSU Core General Education guide	6
Communications	3	See KSU Core General Education guide	3
Math and Statistics	3	See KSU Core General Education guide	3
