

The A.A. in Criminal Justice at JCCC partners well with the first two years of the Criminal Justice major at Park. It is highly recommended that students complete the Associates degree prior to transfer to Park whenever possible. If a student presents documentation of an A.A. degree **prior to the end of the first term of enrollment at Park**, the block method is used in evaluating the transfer of the 43-hour Liberal Education component. No transfer course with a grade equivalent less than "C" will be used to meet any Park University course requirement.

The major in Criminal Justice Administration at Park is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. Park offers two choices: a Bachelor of Science and a Bachelor of Arts in Criminal Justice Administration.

- There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections and Security.
- The BA program is offered at the Parkville Campus and the BS is offered online, in campus center locations and at the Parkville campus.
- The BS in Criminal Justice is 120 credit hours total. The BA in Criminal Justice is 122 credit hours total.
- Up to 75 credits from JCCC may be applied toward graduation requirements at Park University. Residency requirement of 30 hours at Park with 15 hours in major core.
