- Rockhurst University uses a holistic review process when considering applications for admission.
- At least 50 percent of the upper-division business hours required for the business degree must be earned at Rockhurst.
- The BSBA is offered with concentrations in Traditional Accounting – Accounting/MBA, Corporate Accounting and Finance, Financial Markets and Economic Analysis, International Business, Management, Marketing, Marketing Analytics, and Social Impact.
- JCCC’s Associate of Arts and Associate of Science degrees meet most of Rockhurst’s general education requirements. Students will need to take 3-4 additional courses to fulfill Rockhurst Core Requirements. <https://www.rockhurst.edu/admissions/transfer/block-transfer-program>. Transfer credit is evaluated on a course-by-course basis if a student doesn’t have an Associate of Arts. The maximum number of credit hours accepted from JCCC is 64 credit hours.
- The Rockhurst General Education guide can be found at: <https://www.jccc.edu/student-resources/academic-counseling/transfer/files/transfer-guides/rockhurst-general-core-requirements.pdf>

Prerequisites for BSBA Majors: It is important for students to complete these courses before transfer at the junior level.

* JCCC course has a prerequisite or corequisite.

-Please note since JCCC BLAW 261 Business Law I* is a lower division course that is equivalent to MG 3400 Business Law and Commercial Transactions, an upper division course that is required for The Helzberg School of Management Core at Rockhurst, students will need to take another upper division **Management** course to fulfill the upper division credit hour requirement at Rockhurst.

-Please note since MKT 230 Marketing is a lower division course that can’t transfer as an equivalent to the required MK 3000 Principles of Marketing, an upper division course that is required for The Helzberg School of Management Core at Rockhurst. However, students that transfer MKT 230 with a “C” or higher, Rockhurst will allow students to take another upper division **Marketing** course to fulfill that BSBA requirement.

-CIS 142 Beginning Programming using Python is equivalent to CS 1000 Programming for Analytics which is required for the Marketing Analytics concentration. Contact Rockhurst Advising to ensure it transfers properly.

It is the STUDENT’S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four- year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
