

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 hours of electives within the A.A. allows students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours. The maximum number of hours from a community college that will be applied toward a bachelor's degree is 64 hours. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

Research College of Nursing offers two Bachelor of Science in Nursing programs that lay a foundation of success and help you seamlessly transition into your nursing career. A degree from Research College will open doors to your future as you pair educational excellence with premier access to the region's largest healthcare system-- HCA.

Two options for Nursing available to students:

- Accelerated, 1-year track (**ASBN**) *non-nursing Bachelor's degree required*
- Transfer, 2-year track (**TBSN**) *pre-requisites required*

Admission requirements:

- Minimum 3.0 cumulative GPA or a 2.8-2.99 cumulative GPA with a B- or better in Anatomy and Physiology
- Admission is competitive for transfer students and based on overall GPA as well as GPA in the science and math prerequisites.
- Transfer students apply online through the NursingCAS website at <https://portal.nursingcas.org>.

****Students must apply by Feb. 15 prior to the January they would like to begin.****

60 credit hours of pre-requisites required (*23 required for Accelerated BSN)

Research Requirements	Credit Hours	JCCC Equivalents	Credit Hours	Requirement Met
^Comp I	3	ENGL 121 Comp I	3	Core
^Comp II	3	ENGL 122 Comp II	3	Core
^Chemistry	4	Chem 122 Princ of Chem	4	Major
^Human Anatomy	4	BIOL 140 Human Anatomy	4	Major
^Human Physiology Psychology	4	BIOL 225 Human Physiology	4	Core
Psychology	3	PSYC 130 Intro to Psyc	3	Major
Human Development	3	PSYC 218 Human Development	3	Major
Microbiology & Lab	4	BIOL 230 + 231 Micro with Lab	4	Major
US History	3	HIST 140 OR 141 US History	3	Core
^College Algebra	3	MATH 171 College Algebra	3	Core

Nutrition	3	BIOL 235 Nutrition	3	Major
Statistics	3	MATH 181 Statistics	3	Major

^Courses must be completed to enter Spring nursing courses

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
