The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

The **Allied Health Department** at Washburn University offers an online Bachelor of Health Science (BHS) degree. This program is designed to provide graduates with knowledge and skills in the area of management and leadership. Students without healthcare backgrounds may expand opportunities in healthcare or prepare for a graduate program through the completion of a Washburn BHS degree.

Admission Requirements

- Apply for admission, including \$20 application fee (non-refundable). Complete the application online at www.washburn.edu/admissions.
- Send official transcripts of all previous college work to: Washburn University, Office of Admissions, 1700 SW College, Topeka, KS 66621 or submit them electronically at etranscripts@washburn.edu

Requirements for Bachelor's Degree

- Minimum of 120 semester hours of credit
- Minimum of 60 semester hours from Washburn or a four-year college or university; at least 30 hours must be completed through Washburn
- Minimum of 45 semester hours of credit from courses at the upper division level
- Minimum of 84 graded hours
- Grade of "C" or better in courses counting towards the university requirements, major, and minor
