

The [Associate of Arts, AA](#) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a [JCCC counselor](#) is strongly recommended for selection of appropriate courses.

WSU College of Applied Studies

- All Teacher Education majors and Athletic Training majors must submit an [application](#) for admission into the programs.
- Athletic Training is a four-year, sequenced program. Transfer students seeking to begin as second-year students must complete both the pre-professional and professional phase application requirements. Contact Program Director [Rich Bomgardner](#) at with questions about beginning as a second-year student. Apply by March 1 to have priority consideration for the upcoming fall semester.

WSU General Education Requirement:

- Students transferring to WSU, that complete the General Education requirements required for the [Associate of Arts \(AA\)](#), [Associate of Fine Arts \(AFA\)](#) or [Associate of Science \(AS\)](#) degree from JCCC will be considered to have satisfied WSU's core general education curriculum.
- Students who transfer to WSU, without completing the General Education requirements required for the [Associate of Arts \(AA\)](#), [Associate of Fine Arts \(AFA\)](#) or [Associate of Science \(AS\)](#) degree will have courses evaluated on a course-by-course basis toward meeting WSU requirements. To learn more about courses that satisfy [WSU Core Requirements](#) and [WSU Transfer Equivalency Tool](#).
- [WSU Core General Education Guide](#)
- WSU requires [Specific General Education Requirements](#) by College.

WSU Transfer Students Should Remember:

- **WSU Transfer Policy – Credit Acceptance:** It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post- secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature. To be eligible for graduation from Wichita State University, students transferring from a two-year college must complete at least 60 credit hours of four-year college work and 45 credit hours of upper-division coursework college work and 45 credit hours of upper-division coursework.
- **Dual Advising:** WSU strongly suggests that potential transfer students involve their WSU advisor in program planning.
- **Graduation Requirements:** To qualify for graduation with a WSU bachelor's degree, transfer students must meet certain requirements such as course credit hours, levels, GPA, and residency.

* JCCC course has a prerequisite or corequisite.

+This course fulfills both General Education and program requirements simultaneously.

^General Education course approved by KBOR as a requirement for the degree program even if the student has already completed the General Education program.

(L) = Course meets JCCC Lab Science requirement and carries the lab attribute for WSU.

(B-) = Courses requiring a "B-" or better

(C) = Courses requiring a "C" or better

Note: Major courses for Sport Management must be taken at WSU.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
