COLLEGE SUCCESS Fall 2025

Take charge of your educational journey

COLL 292: Special Topics— Navigating College

Ideal for first-year students and career-ready Cavaliers, this dynamic six-week course helps you:

- Gain confidence in your ability to navigate college life
- Develop essential academic and personal skills
- Create a long-term plan for academic, personal, and career success
- Build connections with peers, professors, and campus support networks

Set yourself up for a successful experience in college and beyond!

With expert guidance from faculty and advisors, you'll have a roadmap to graduation, employment, and personal fulfillment.
