

JCCC Concealed Carry on Campus

The Legislation:

Effective July 1, 2017, an authorized individual may carry a concealed handgun on or about their person in most state and municipal buildings in Kansas, including institutions of higher education.

Our Policy:

JCCC recognizes the right of authorized individuals to carry concealed handguns, in accordance with Federal and State laws and regulations.

Who Can Carry?

Individuals who are at least 21 years of age or possess a valid provisional license issued under state law or a valid license or permit to carry a concealed firearm issued by another jurisdiction and recognized in Kansas, and who are in lawful possession of a handgun with no restrictions or prior record, may conceal carry.

What Can be Carried?

A concealed handgun.

Violation:

Partially or wholly visible handguns do not meet the requirements of concealed carry, and at a minimum would be a policy violation and should be reported.

Report Violations?

To our JCCC Police Department at 913-469-2500.

Where Can a Handgun be Carried?

Individuals can conceal carry on campus and in public buildings and areas on a JCCC campus, except where temporary Adequate Security Measures (ASMs) are in place (in accordance with K.S.A. 75-7c20). If temporary ASMs are in place, signs will clearly identify where concealed carry is prohibited.

Storing of Handgun:

A handgun may only be stored in a private vehicle when the vehicle is locked and the handgun is secured in a non-visible location. A handgun may not be stored in an office, a work area, or any college locker.

****Open Carry Remains Prohibited in Open Spaces and College Buildings****
