The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 hours of electives within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours. The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is between 60 and 63 credit hours or 50% of the degree. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

- The Bachelor of Science in Applied Behavior Analysis (ABA) program teaches students how to work successfully with children who have autism, developmental delays, behavioral challenges and other related conditions. Majors become familiar with contemporary research findings in the field and learn to develop, implement and monitor behavioral programs to treat various behavior issues.
- The Applied Behavior Analysis program is 120 credit hours total and is completely online.

Admissions Requirements

- Transfer applicants must have a 2.0 or higher GPA for all previously attempted college coursework and be eligible to return to the last college attended. Those who do not meet these criteria must present a letter of appeal to the Academic Standards and Admission Committee, which will determine whether the student will be admitted.
- All transfer applicants must submit official transcripts of their high school records clearly indicating GPA and class rank. Transfer applicants must also submit official transcripts from all colleges and universities attended. These transcripts are part of the student's permanent college record.
- For more information, visit <https://www.centralmethodist.edu/admissions/applications.php>

CMU Requirement	Credit Hours	JCCC Equivalent	Credit Hours
GENERAL EDUCATION CORE AND TIER II GENERAL EDUCATION			
Composition I	3	ENGL 121 Composition I*	3

* JCCC course has a prerequisite or corequisite.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
