

The Associate of Arts degree (A.A.) at JCCC is the general transfer degree that partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. degree may select courses that satisfy both the A.A. degree requirements and requirements for specific majors at four-year institutions. The elective hours within the A.A. degree allow students to complete additional general education and lower level major courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). **Meeting with a JCCC counselor is strongly recommended for selection of courses.**

The B.S. in Fashion Studies offers two specializations: Fashion Business and Fashion Design.

Degree requirements at the four-year colleges are subject to change by those institutions.
