The B.S. degree in Secondary Education requires a minimum of 120 hours. Only half the hours for a K-State degree can be taken at a two-year college.

Secondary education teaching fields are listed on page 3. All programs consist of coursework in General Education, a Teaching Field, and Teacher Education.

The General Education component is shown below. Additional courses may be available at Johnson County Community College to satisfy teaching field requirements. Refer to the College of Education undergraduate website (coe.k-state.edu) for specific degree requirements and to the K-State transfer equivalency site to check course transferability (k-state.edu/undergradadmit/transferequivalency).

Admission to Teacher Education is required for the Professional component of the Teacher Education courses. Transfer students who have completed all the following admission requirements may apply at the time of initial enrollment.

- 50 semester hours of credit
- Grades of C or better in Writing I and II, Public Speaking, Algebra and Statistics.
- A Basic Skills test will be required and will include sections on reading, writing, and mathematics. Students with an ACT composite score of 22 or above are not required to take the tests. Skills tests are provided free of charge on the Learning Express Library. No minimum score is required at this time. For more information: refer to coe.ksu.edu/cssps/praxis-tests
- Early Field Experience (K-State requires at least 40 documented hours of classroom observations).
- A 2.75* GPA is required in coursework applied to the education degree.
- A 2.75* average GPA in all teaching field coursework.

*To calculate GPA, the College of Education uses all attempted credits and grades.

TEACHER EDUCATION COURSES

Professional Component
Refer to https://coe.ksu.edu/academics/bachelor/secondary.html#teacher for requirements. Classes in the Professional Program cannot be taken at a community college.

Teaching Field. One of the following teaching fields must be selected. Refer to coe.ksu.edu/academics/bachelor/secondary.html#fields for the list of classes required for each of the following teaching fields. Due to the wide variations and complexity of the coursework, it is recommended students consult with a K-State College Of Education academic advisor to plan transfer classes applicable to their chosen teaching field or refer to the transfer pathways https://go.k-state.edu/pathways

Art (licensed PK-12)
Biological Science
Business
Chemistry
Earth Science
English
English/Journalism
Journalism
Mathematics
Modern Language – Chinese, French, German, Japanese, Spanish (licensed PK-12)
Physical Education and Health (licensed PK-12)
Physics
Speech/Theatre
Social Studies
Technology at K-State Polytechnic Campus in Salina
Additional teaching fields housed in other colleges in Family Consumer Science, Agricultural Education, Music Education and Early Childhood.

Kansas State University requires all graduates to meet the K-State 8 General Education requirements as part of their program. The K-State 8 encourages students to explore coursework from 8 different perspectives. The College of Education curriculum meets all 8 requirements in our General Education, Teacher Education and Area of Concentration coursework. More information is found at the K-State 8 website: www.k-state.edu/kstate8.
## Humanities

### Literature Electives – Choose one of the following:
- ENGL 130 Introduction to Literature
- ENGL 205 Bible as Literature
- ENGL 215 U.S. Latino & Latina Literature
- ENGL 230 Intro to Fiction
- ENGL 235 Drama as Literature
- ENGL 236 British Literature I
- ENGL 237 British Literature II
- ENGL 243 The Literature of Science Fiction

### Fine Arts Electives – Choose one of the following:
- ARTH 180 Art History: Ancient/Renaissance
- ARTH 182 Art History: Renaissance/Modern
- THEA 232 Play Reading & Production
- MUS 121, 123, or 128

### Social Sciences

#### Global Issues – One of the following is recommended:
- ANTH 125 Cultural Anthropology
- GEOS 145 World Regional Geography
- HIST 151 World History I: Traditional World
- HIST 152 World History II: Modern World
- POLS 135 International Relations
- ECON 230 Macroeconomics
- GEOG 145 World Regional Geography

## Natural Sciences (choose 2 courses, 1 must have a lab)

- GEOS 130 General Geology
- BIOL 121 Introductory Biology for Non-Majors
- BIOL 122/123 Principles of Biology/Lab
- BIOL 135 Principles of Cellular/Molecular Biology
- BIOL 150 Biology of Organisms
- CHEM 122 Principles of Chemistry and Lab
- CHEM 124/125 General Chemistry I/Lab
- PSCI 120 Physical Science

---

It is the STUDENT’S RESPONSIBILITY to check for updates to all transfer information. This transfer program is provided as a service and is updated at least annually. Degree requirements at the four-year colleges are subject to change by those institutions.
