The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

The B.A./B.S. in Social Work requires 120 hours. The maximum number of hours from a community college that will be applied toward this degree is 60. Each student must complete 20 of the last 30 hours of resident credit at K-State. A minimum of 45 hours must be at a course level of 300 or higher.

### **Admission to Social Work Practice Sequence**

Graduating with a bachelor's degree in social work from Kansas State University is a two-step process:

1. Declaration of social work major with the College of Arts and Sciences
2. Admission to Social Work Practice Sequence

The Social Work Practice Sequence includes upper-level social work courses during the student's last three semesters of college: two semesters of intensive, hands-on coursework and a one-semester field practicum at a social service agency.

Students apply for the practice sequence prior to their last three semesters of coursework.

To be admitted to the social work practice sequence, students must have:

- Taken or be enrolled in SOCWK 100 and 315
- Grade of "C" or above in all social work courses
- 2.5 overall GPA and 3.0 core social work GPA
- A long-range plan completed with your academic advisor that will allow you to graduate in three semesters upon entering the practice sequence

Contact your academic advisor ([dollingt@ksu.edu](mailto:dollingt@ksu.edu)) or the social work program coordinator ([kpkremer@ksu.edu](mailto:kpkremer@ksu.edu)) with application questions.

- Effective Fall 2024: Students transferring to K-State, with an AA, AFA or AS degree from JCCC will be considered to have satisfied K-State Core general education curriculum.
- Effective Fall 2024: Students who transfer to K-State, without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting K-State requirements. To learn more about courses that satisfy K-State Core requirements visit: <https://www.k-state.edu/provost/kstate-core/index.html> and <https://www.k-state.edu/admissions/undergrad/manhattan/apply/transfer/course-search.html>
- K-State Core General Education guide can be found [here](#).
- See <https://catalog.k-state.edu> for course descriptions and prerequisites.

**It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.**
