The Kansas Board of Regents (KBOR) has approved the Systemwide General Education Framework below for the 2024-25 academic year. It is comprised of 34-35 credit hours organized in six discipline-based "buckets" and an institutionally designed bucket. A student who satisfies all seven buckets will complete the systemwide GE program.

Please note this framework applies to the completion of the Associate of Arts (AA), Associate of Fine Arts (AFA) and Associate of Science (AS) degrees only. The JCCC designated courses for the Kansas Systemwide General Education Requirements are listed in the JCCC Degree Requirements <https://catalog.jccc.edu/degree requirements/>. Students that have not earned an AA, AFA, or AS, will have coursework reviewed on a course by course basis at KU and should refer to the list below to complete the Systemwide General Education framework at KU.

The Associate of Applied Science (AAS) degree and the Associate of General Studies (AGS) degree do not apply to the KBOR Systemwide General Education Framework. Please see your JCCC Counselor if you are pursuing the AAS or AGS degree.

The KU Core 34 is typically completed during the first two years of study. Courses required for a degree program may simultaneously satisfy a KU Core 34 requirement. A KU Core 34 credit can be earned through a single approved course and/or a pre-approved educational experience.

Students are encouraged to complete a 3 credit hour social responsibility/ethics course as part of their Arts & Humanities 6-hour requirement. These courses are designated with a caret (^) in the Arts & Humanities course list below.

Opt-Out Option – Transfer students who plan to start at KU in Fall 2024, Spring 2025, or Summer 2025 - By "Opting Out" of the KU Core 34, you are choosing to follow the Fall 2023-Summer 2024 catalog year requirement term. This includes the KU Core and major requirements in place under the previous catalog year. After speaking with an academic advisor, transfer students can complete a change of catalog year form which will be available in Fall 2024.

Prior to Fall 2024: The KU Core Curriculum is the university-wide curriculum for all incoming students who enrolled at KU prior to Fall 2024. For the list of KU Core requirements with JCCC equivalent courses, click [here](#).

** All community college courses transfer as lower-level credit and do not count toward the 45 upper-level hours required for a KU bachelor's degree.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four- year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
