The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 hours of electives within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours. The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is between 60 and 64 credit hours or 50% of the degree. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses. Completing an AA at KU will satisfy KU Core Goals 1-3. Students will still need to complete any degree-specific requirements.

- The College of Liberal Arts and Sciences: KU's largest academic unit with 53 departments and programs
- Total Hours: 124 hours minimum. No more than 63 hours from a two-year institution may be applied toward the 124 hour total. Must include 100 hours in liberal arts and sciences, 45 junior/senior hours; the last 30 of those hours must be at KU.
- Credit/No Credit Policy: Allowed for courses not in the major or minor. Not allowed for courses listed in the KU catalog under "requirements for the Major" for each specific major. Students should be aware that some scholarship committees and honorary societies do not accept this grading system and convert grades of "No Credit" to "F" when computing grade point averages.
- Transfer Grades of "D": Not accepted toward any degree in the College of Liberal Arts and Sciences.

**NOTE:** Classes may count for a major requirement and a core requirement but may **NOT** count for 2 different core requirements.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer program is provided as a service and is updated annually. Degree requirements at the four-year colleges are subject to change by those institutions.

Updated 11/18

## College of Liberal Arts and Sciences Requirements

1. **Quantitative Reasoning (3 Credits):** This course must have MATH 101 (College Algebra) or a higher level mathematics course as a prerequisite. Additionally, this course must also be approved for Goal 1 Learning outcome 2 of the KU Core.
2. **Laboratory or Field Experience (Variable Credits):** This course must be an academic-credit bearing laboratory or field experience. This course may be taken in conjunction with a lecture course but the course combination must contain a laboratory.
3. **Writing (6 Credits):** Students must complete six credit hours (two courses) of collegiate writing-level instructions. Students must complete ENGL 101: Composition and ENGL 102/105: Critical Reading and Writing/Freshman Honors English. Students who place into ENGL 102/105 by examination must complete ENGL 102/105 and another course meeting Goal 2, Learning Outcome 1 of the KU Core.
4. **Non-English Language Proficiency (Variable Credits):** Students must demonstrate fourth semester proficiency in a single non-English language, OR third semester proficiency in a first non-English language and first semester proficiency in a second non-English language.

REL 106	REL 125 Religions of the East
REL 107	REL 126 Religions of the West
<b>CAPSTONE (TBD)</b>	<b>CAPSTONE (TBD)</b>

## KU Core Requirements

The KU Core comprises three general education goals and three advanced education goals. The general education goals are best met early in a student's career. The advanced education goals are most appropriately acquired using the foundation of knowledge gained from the general education goals and progression through the major.

Courses can be used to satisfy one Core goal at a time, but may satisfy a major requirement and a core goal. To learn more about courses that satisfy the KU Core visit: <http://credittransfer.ku.edu/>
