The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 hours of electives within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours. The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is between 60 and 64 credit hours or 50% of the degree. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

- The Photography program at the University of Kansas is dedicated to evaluating and redefining the medium of photography. Through in-depth instruction, students develop a diverse technical skill set, becoming proficient in both analog and digital practices. The program encourages a strong work ethic, and places emphasis on visual literacy. Graduates of the Photography program at the University of Kansas leave with exceptional visual communication skills, fully prepared to successfully engage in a wide range of possible careers in lens-based media.
- All concentration of KU's Design BFA are built around an intentionally-sequenced studio track. Core studios in this track are offered only one semester per academic year and must be taken in the prescribed order. This studio track generally follows a four-year path, though students may be able to take studios at JCCC that could shorten their track if admitted to a minimum of two years at KU.
- At most, students can only complete studio coursework equivalent to the first two years of studios if following the AA+BFA course agreement.
- Admission for Transfer Students - Admission to the Department of Design is selective and competitive. Complete the online application by going to <https://admissions.ku.edu/apply> and selecting the School of Architecture and Design, then select your major. This application will serve as your application to KU, the Department of Design and [University scholarships](#). In addition, students must submit a [portfolio](#).
- Students should contact April Czarnetzki, Outreach Coordinator, at amczar@ku.edu, a year prior to their desired transfer term. This will help confirm your progress and prepare for a timely graduation.
- Students should note the Department of Design's First-Year Checkpoint and Second-Year Full Review policies documented at design.ku.edu/first-year-and-reviews. Students should familiarize themselves with these requirements and processes prior to transferring to the Department of Design.
- Additional policies are outlined here: design.ku.edu/standards-policies.
- Requirements - Must have a 3.0+ cumulative GPA from previous institutions, including KU, [Complete online application](#), [Submit official transcripts to the KU Office of Admissions](#), and [Submit portfolio](#)
- Application Deadlines - Spring 2020: **Oct. 1** and Fall 2020: **Feb. 1**
- Transferring credits to KU - Utilize KU's [credit transfer tool](#) to learn more about how your courses may transfer to KU. Please note transfer studio courses with a grade of C+ or lower will not be accepted by the Department of Design for credit. Transfer general education courses with a grade of D+ or lower will not be accepted by the Department of Design for credit.
- Admission for International Students - Admission to the Department of Design is selective and competitive. International students should apply through the Office of International Recruitment and Undergraduate Admissions.

- Requirements - Total TOEFL iBT score of 70+ or Total IELTS score of 6.0+, Must have at least a 3.0+ cumulative GPA on a 4.0-point scale, Complete Online Application, and Submit Portfolio
- Portfolio Requirement - All applicants must submit a portfolio to be considered for admission to the Department of Design. Portfolios are submitted online through SlideRoom. Please select "Undergraduate Student - Portfolio Submission" from the directory. For technical support questions while submitting your online application, please contact support@slideroom.com.
- The online portfolio submission includes the following requirements:
 - Media: Please upload 10-15 images of your strongest creative works. Please title each piece. In the description, include the medium or software used, the size, date of completion, and a brief one to two sentence description. In the case of documented professional or group projects, applicants should indicate personal responsibilities. Your portfolio must include at least two mediums. Examples: sketches, drawings, paintings, ceramics, jewelry, 3-D pieces, logos, branding, publications/yearbook, posters or any art or design-related works. Displaying a variety of work is essential; use your strongest pieces and good judgment.
 - Essay: Why are you interested in studying design, what have you done to prepare, and how do you hope to use your degree? To complete your application, you must provide a response to the prompt. Please limit your response to 200-250 words.
- Students must complete a total of at least 120 credit hours. At least 45 of those credit hours must be in "junior/senior-level courses," which are numbered 300 and above. Credit for classes taken at JCCC cannot count toward Jr/Sr hours. At least 30 credit hours must be in residence to receive a degree from the department and KU.
- A minimum 2.0 cumulative GPA is required for graduation.
- **NOTE:** Classes may count for a major requirement and a core requirement but may **NOT** count for 2 different core requirements.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

KU Core Requirements The KU Core comprises three general education goals and three advanced education goals. The general education goals are best met early in a student's career. The advanced education goals are most appropriately acquired using the foundation of knowledge gained from the general education goals and progression through the major. Courses can be used to satisfy one Core goal at a time, but may satisfy a major requirement and a core goal. To learn more about courses that satisfy the KU Core visit:
