The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 hours of electives within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is 64 credit hours. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

- The Bachelor of Fine Arts in Visual Art is a four-year, 120 credit hour degree program, including 45 junior/senior hours (courses numbered 300 or higher), 30 of these 45 junior/senior hours must be taken in residence at KU. In addition to the 13-hour foundations requirement, a minimum of 48 hours in departmental courses is required, including 2 semesters of Senior Seminar.
- The General option (encompasses Drawing, Painting, Printmaking, Sculpture, and Expanded Media) requires 48 major hours, including a minimum of 15 junior/senior hours in the major, a minimum of 15 major hours in residence, and a minimum of 2.0 KU junior/senior grade-point average in the major.
- The Ceramics option requires 48 major hours, including a minimum of 24 junior/senior hours in the major, a minimum of 15 major hours in residence, and a minimum 2.0 KU junior/senior grade-point average in the major.
- The Metalsmithing/Jewelry option requires 48 major hours, including a minimum of 30 junior/senior hours in the major, a minimum of 15 major hours in residence, and a minimum 2.0 KU junior/senior grade-point average in the major.
- The Textiles/Fibers option requires 48 major hours, including a minimum of 30 junior/senior hours in the major, a minimum of 15 major hours in residence, and a minimum 2.0 KU junior/senior grade-point average in the major.
- The Department of Visual Art reserves the right to retain examples of student work and to use images of student work on internet websites and for university publication purposes.
- In addition to completing the online application for KU Admissions, [a portfolio and responses to three short essay questions](#) are required for admission to the Department of Visual Art in order to complete the application process and be for admission to the major in Visual Art. . Information regarding these additional application materials can be found at <https://art.ku.edu/undergraduate-admissions>.
- All entering students in Visual Arts are required to participate in a foundation curriculum offered through the Foundations program before enrolling in advanced art or design studio courses. The first-year foundations courses for the B.F.A. degree includes 13 hours of foundations studio, 6 hours of English, and 6 hours of Art History coursework. Refer to the Foundations courses requirement below.
- Classes may count for a major requirement and a core requirement but may NOT count for 2 different core requirements.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

KU Core Requirements The KU Core comprises three general education goals and three advanced education goals. The general education goals are best met early in a student’s career. The advanced education goals are most appropriately acquired using the foundation of knowledge gained from the general education goals and progression through the major. Courses can be used to satisfy one Core goal at a time but may satisfy a major requirement and a core goal. To learn more about courses that satisfy the KU Core visit: <https://credittransfer.ku.edu/>
