The BSBA in Business Administration is offered on campus as well as online. On campus students must choose an emphasis area ([see emphasis areas for degree requirements](#)). Online students do not select an emphasis area unless they were previously in the on campus program and completed all requirements for their emphasis prior to switching into the online program.

**Degree Program Description** - In the Trulaske College of Business students are either in the lower level (undeclared) or the upper level (admitted to an emphasis area). Students entering the Trulaske College of Business enter the lower level while they take University general education and business preparation courses. The first two years of all business programs (except international business and accounting) involve the same course sequences. A student typically applies to the upper level at the end of the sophomore year or the beginning of the junior year.

**Major Program Requirements** - The BSBA has an On-Campus delivery option, as well as an Online option. Requirements differ slightly. Refer to the applicable list of requirements below.

**On-Campus - Major Core Requirements** - A student may count a maximum of 54 credits in their emphasis area to meet the 120-credit requirement for the undergraduate degree. Requirements above and beyond general education requirements are listed under upper level admission courses. Students must complete all [university requirements](#), including [general education](#) – click [here](#) for guide with JCCC equivalents, and the degree requirements below.

General Education (see University General Education Requirements)	27
Upper Level Admission Courses	33
Required Core Courses	24
Emphasis Support Courses	33
Senior Capstone	3
<b>Total minimum</b>	<b>120</b>

## MU On Campus - Upper-Level Admission Courses:

MU Requirements	Hrs	JCCC Equivalents	Hrs
ACCTCY 2026 Accounting I	3	ACCT 121 Accounting I	3
ACCTCY 2027 Accounting II	3	ACCT 122 Accounting II*	3
CMP SC 1050 Algorithm Design and Programming I <b>OR</b> INFOTC 1040 Intro to Problem Solving & Programming <b>OR</b> ACCTCY 2258 Computer-Based Data Systems ( <i>Required for Acct. program</i> )	3	No Equivalent CS 134 Programming Fundamentals  No Equivalent	-- 4  --
ECONOM 1015 Principles of Macroeconomics	3	ECON 230 Principles of Macroeconomics	3
ECONOM 1014 Principles of Microeconomics	3	ECON 231 Principles of Microeconomics	3
