The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours, the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses. Meeting with Conservatory faculty early is recommended as well.**

****Transfer Students are strongly encouraged to visit with the Conservatory Undergraduate Advisor (contact information above) prior to applying to UMKC.****

General UMKC Transfer Admission Requirements:

- 2.0 or higher cumulative GPA, individual programs/departments may require a higher GPA.
- Credit/No-credit or Pass/Fail coursework may only be applied to elective coursework and will not apply towards UMKC's General Education Core or major requirements. (*UMKC did allow Credit/No-credit or Pass/Fail for Spring 2020 coursework. Please see specific program for transfer guidelines.*)
- Equivalent courses may be repeated but all grades will be averaged for GPA calculation purposes and students will only receive credit for one attempt.
- Full transfer admission requirements can be found at:
<https://www.umkc.edu/transfer/apply.html>

Conservatory Transfer Admission Requirements:

Music and Dance programs:

- The priority application deadline for most programs is **December 15th** to be considered for the following fall semester. The application deadline for **Music Composition is December 1st**.
- Submit a Music/Dance resume or CV listing all relevant music or dance experience such as ensembles, schools, teachers, performances and awards.
- Submit two references. List the names and contact information of your references, and the application system will send an email to them requesting that they submit a letter of recommendation on your behalf.
- All undergraduate Music and Dance applications require an audition. You may select one of the three scheduled audition dates. Check the Conservatory website for audition repertoire and requirements.
- Other materials as they apply to your desired program, such as:
 - **Bachelor of Music in Composition** applicants submit a composition portfolio. Scores and videos can be uploaded directly to the application. Those who pass the composition evaluation will be invited to perform an audition.
 - **Bachelor of Fine Arts in Dance** applicants submit a dance photo by uploading it to the application.
 - **Bachelor of Music in Piano Performance** applicants submit a list of previously studied repertoire.
 - Full Conservatory Special Program admission requirements can be found at:
<https://conservatory.umkc.edu/admissions/specific-program-requirements.html>

Theatre program:

- Applicants for the bachelor's degree in Theatre do not need to submit a resume and references or select an audition date. Entry to this program does not require an audition.

General Education Requirements for Transfer Students:

All UMKC undergraduate students complete general education requirements. Completing an Associate of Arts (A.A.) degree or the Associate of Science (A.S.) at JCCC will satisfy all general education requirements at UMKC, including the Constitution requirement. JCCC students transferring to UMKC without completing the A.A. or A.S. will have the option to elect to complete either the UMKC Essentials or the Missouri Transfer (MOTR) Core 42 curriculum to meet general education requirements. **Due to time to degree completion, it is advantageous for students in some programs, including Music and Dance programs, to complete UMKC Essentials.** Credit by Exam, Transfer credit, or Dual High School academic credit will apply to the UMKC Essentials program in a way that optimizes the student's prior educational experience.
