Call in an Emergency

Campus Police: Ext. 4111 | 913-469-2500
or look for a campus emergency phone

Armed Intruder
ALICE is not designed to be sequential. Use the best option for your personal safety. Never give up!
- KNOW matter where you are, be familiar with your surroundings and know your escape routes.

Alert
- Listen or receive specific information
- Immediately call to report

Lockdown
- Secure in place, if you can’t safely evacuate
- Barricade entry points and lock doors
- Get on floor, spread out, turn off lights, silence phones, stay out of view

Inform
- Give and get updates by any means possible

Counter (as a last resort)
- Distract shooter’s ability for accuracy
- Move toward exits and make noise, distractions, throw objects
- Swarm intruder, fight for your life

Evacuate
- If a safe path is available, get out – put distance between you and intruder
- Do not go to your car; evacuate on foot
- Go to a rally point
- Stay alert to College information

Bomb Threat
- Keep the caller on phone as long as possible and gather information
- Immediately call to report
- If threat is on voicemail, do not erase
- Evacuation is determined by Authorities. Campus Police will order evacuation if needed
- During an evacuation, do not use cell phones or radios within the at risk facility
- Look for, but do not disturb unusual objects as you leave area, then report

Severe Weather
- Stay alert to severe weather conditions
- If a tornado warning is issued, outdoor warning sirens will be activated and internal public address system announcements will instruct the need to take immediate shelter
- Stay away from windows and exterior doors
- Promptly move to a designated storm security area
- Remain in the storm security area until warning expiration message is issued via loud speaker, text or email message
- If the facility is damaged, evacuate after the storm passes (following direction of emergency building personnel) and stay away
- Watch for falling debris, downed power lines, gas leaks
- Call to report injuries

Fire Smoke Explosion
- Activate fire pull alarm and call to report
- Evacuate and report to Designated Emergency Assembly Area
- Do not use elevators
- Grab personal items if time permits
- Be aware of others in your area – tell them to evacuate (assist disabled)

Power Outage
- Remain calm and offer assistance to others
- Move cautiously to a lighted/safe area; Time of day matters
- Exits should be illuminated
- Consider use of cell phone flashlight feature
- Report outage and follow campus guidance

Medical Emergency
- If the injury/illness is serious or life threatening, immediately call to report
- Do not move the person unless necessary
- Protect from manipulation and disturbance
- Begin CPR and other first aid measures
- Stay until medical assistance arrives

Suspicious Behavior or Activity
- Do not let strangers into locked or secured areas
- Do not physically confront the person
- Note person’s description and suspicious activity
- Move to a safe location and report

KOPS-Watch System (non-emergency)
