Johnson County Community College
Transfer Program to the University of Kansas
School of Education and Human Sciences
Teacher Education -
Elementary Education Unified
2023-2024 Catalog

The bachelor's degree in **elementary education unified** teacher education at the University of Kansas School of Education and Human Sciences prepares individuals to work in inclusive settings to meet the learning needs of all young children
(K-6), including those with disabilities.

- Students can be admitted into teacher education programs as transfer students if they are admitted to KU, declare a teacher education program as their major, and meet the following criteria:
    - A KU + Transfer Cumulative GPA of at least 2.75
- Transition Point #1: Progression to the Professional Block 1 requires that all Pre-Professional coursework is completed with a minimum cumulative GPA of 2.75. Must consult with an advisor before entering the Professional Block. Students must complete the following: • Declare intent to continue in teacher education program and enter the professional sequence. • Earn a minimum cumulative grade point average of 2.75. • Clear a criminal background check prior to placement in schools. • Complete the non-academic factor survey. • Administrative review of GPA in Prerequisite Courses. Students must have 2.50 GPA in the KU Core Curriculum and General Education courses. • Administrative review of dispositions for any concerns.
- For information regarding Transition Points #2- #4, click here.
- A student must earn at least a grade of "C- "or higher in COMS 130, ENGL 101, English and Mathematics requirements. A grade lower than a "C-" is not acceptable in any teacher education course. Some programs may have additional minimum grade point requirements for specific classes. Consult the School of Education & Human Sciences for details.
- Sixty-four credits may be transferred to KU from community colleges. Students should be aware that 45 junior/senior credit hours are required for completion of the bachelor's degree; 30 of those hours must be at KU; and community college courses do not transfer as junior/senior hours.
- Only 6 hours of Credit/No Credit is allowed before a student is admitted into the School of Education and Human Sciences. Once admitted, a student cannot take a class Credit/No Credit for any program requirement.
- Minimum total hours for graduation is 120.

KU Core Requirements The KU Core comprises three general education goals and three advanced education goals. The general education goals are best met early in a student's career. The advanced education goals are most appropriately acquired using the foundation of knowledge gained from the general education goals and progression through the major. Courses can be used to satisfy one Core goal at a time but may satisfy a major requirement and a core goal. To learn more about courses that satisfy the KU Core visit: https://credittransfer.ku.edu/

All KU Core Goal requirements will be fulfilled by program requirements.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
