

JOHNSON COUNTY COMMUNITY COLLEGE Transfer Program to Pittsburg State University Elementary Education Degree Requirements (K-6) 2023-2024 Catalog

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The 30 hours of electives within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see <u>JCCC A.A. degree requirements</u>. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.
