*******NOTES*******

- Embryology and Histology are recommended.
- Completing an Associate of Arts degree (Liberal Arts) at JCCC will satisfy most lower level general education requirements at Rockhurst.
- Students who transfer before completing their AA at JCCC should inquire at Rockhurst about Missouri Reverse Transfer at <https://www.rockhurst.edu/academics/registrar/missouri-reverse-transfer>
- Students planning to earn an undergraduate degree from Rockhurst University should consult the General Core Requirements sheet and the Rockhurst catalog for specific requirements for your major.

It is the STUDENT’S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.
