An agreement between Johnson County Community College and Wichita State University provides students who have completed the [JCCC Registered Nurse Associate of Applied Science](#) the opportunity to complete a Bachelor of Science in Nursing degree at WSU. The RN¹ to BSN² degree completion program at WSU, offered completely online, is intended for students who have graduated from an accredited nursing program and hold a current license in nursing. To be eligible for admission to the WSU RN to BSN program, applicants must have:

- 1) An earned associate degree from a regionally accredited school with an accredited nursing program.
- 2) A minimum 2.5 cumulative grade point average.
- 3) A passing score on NCLEX-RN (very recent graduates may be able to begin the program before sitting for this examination).
- 4) Completion of all required prerequisite courses. These 11 courses can be completed at JCCC; see table on next page.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

¹ RN = Registered Nurse

² BSN = Bachelor of Science in Nursing

Courses to be taken at Johnson County Community College

WSU Equivalent	JCCC Course	JCCC Hrs
REQUIRED PREREQUISITE COURSES FOR WSU NURSING³

Elective Hours toward required 120 hours	JCCC AAS Humanities Course	3
Total JCCC Hours		88-91
<i>Depending on the Anatomy & Physiology course(s) chosen above and electives chosen at WSU, students may be able to take an additional 2 hours of open electives at JCCC toward the 120 hours required for the WSU BSN degree. Please refer to WSU residency requirements (#2 in ADDITIONAL GRADUATION REQUIREMENTS on page 3 of this document) and consult with your advisor.</i>		

* JCCC course has a prerequisite or corequisite.

³ Each of these courses must be completed with a C/2.0 or higher.

⁴ Applies only to those JCCC students who successfully complete the listed courses with a 73% or higher grade. Students who transfer these courses may need to take additional credit hours at WSU to meet graduation requirements.

WSU PROFESSIONAL NURSING COURSES⁵	WSU hours
NURS 346 Health Assessment for the Practicing RN <i>May be replaced with an elective for JCCC graduates.</i>	3
NURS 329 Introduction to Evidence Based Practice for the Practicing RN <i>Must take STAT 370 or transfer equivalent prior to enrollment</i>	3
NURS 337 Foundations of Nursing Leadership for the Practicing RN	4
NURS 451 Care of Populations for the Practicing RN	3
NURS 490 Health Care Leadership for the Practicing RN	3
NURS 496 Nursing Leadership Practicum for the Practicing RN <i>Must be taken in last semester of program.</i>	2
HS 400 Introduction to Pathophysiology <i>May be replaced with an elective for JCCC graduates.</i>	4
HS 301 Clinical Pharmacology <i>May be replaced with an elective for JCCC graduates.</i>	3
Career Enhancement Electives ⁶ (Upper Division) – WSU only	6
Total Credit Hours for Professional Nursing Courses	31

CREDIT AWARDED FOR LIFE EXPERIENCE:

WSU awards 30 upper division credit hours of Credit for Life Experience⁷ for admitted students who demonstrate successful completion of the NCLEX-RN national exam.

ADDITIONAL GRADUATION REQUIREMENTS:

- 1) One of the WSU graduation requirements is that students must have earned 60 credit hours from a 4-year institution. With the 30 hours of Credit for Life Experience + 31 hours of new course work at WSU, the total is 61 credit hours (thus, this requirement is met).
- 2) For all bachelor's degrees granted by WSU, at least 30 credit hours must be earned at WSU. In addition, at least 24 of the last 30 credit hours applied towards the degree must have been completed at WSU.
- 3) WSU requires a minimum of 45 upper division credit hours. However, 30 of these awarded via Credit for Life Experience + the 31 hours of new coursework, RN-BSN students will have no problem meeting this requirement.
- 4) WSU requires a minimum of 120 total hours to graduate. This includes any transferred hours from a regionally accredited school. For example, a student with an associate degree must transfer at least 89 credit hours to complete the program without taking any additional elective coursework to meet the 120-hour graduation requirement.

CONDITIONS OF TRANSFER:

JCCC students who earn an associate degree in nursing with a minimum 2.5 cumulative grade point average, and who have a current nursing license, will be eligible to matriculate to the WSU academic program in place for that catalog year. The RN to BSN degree completion program at WSU is completely online and accessible 24 hours a day. It can be completed in as little as three (3) semesters or up to six (6) years.

⁵ All professional courses are offered online (NURS courses may not be taken concurrently and must be completed in order). NURS 496 requires a practicum that may be completed locally.

⁶ The following courses satisfy the Career Enhancement electives requirement: PHS 310, PHS 326, PHS 408, MLS 430, ID 301, FA 321, BIOL 370, IB 333, PSY 534, SOC 316, SOC 319, SOC 326, SOC 346, THEA 385.

⁷ The 30 hours of Credit for Life Experience counts towards two of the graduation requirements: 60 credit hours from a 4-year institution AND 45 upper division credit hours.
